

Compugen Wins Cisco Canada Solution Partner of the Year Award at Cisco Partner Summit

Toronto, Ontario – June 19, 2009 – Compugen announced today that it is the recipient of the Cisco Partner Summit regional award for Canada Solution Partner of the Year. Cisco unveiled the winners June 3 at its annual partner conference in Boston.

"I have the honour and privilege of recognizing Compugen as a Cisco Partner Summit regional award winner," said Wendy Bahr, senior vice president, U.S. and Canada channels at Cisco. "The Canadian Solution Partner of the Year award recognizes Compugen's performance and accomplishments as a Cisco channel partner in Canada in 2008."

"Compugen, a Gold-certified Cisco partner, works with enterprises across Canada to enable state-of-the-art infrastructure solutions using Cisco technology," said Randy Soneji, national director, communications infrastructure group, Compugen. "This award underscores our growing reputation as an innovative solution provider building integrated solutions with complementary technologies from Cisco and other leaders such as VMware, from whom we recently received a [Canadian Market Maker award](#)."

Cisco Partner Summit awards are presented at three levels: regional, theater and global. Cisco Partner Summit U.S. and Canada regional awards reflect a partner's performance in a given geographic region of the United States or Canada.
